OFFICE OF THE PRESIDENT
Town Municipal Council

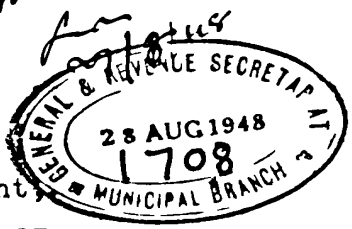
Madhugiri Dated 24th Aug, 48

Ml 1708

Ml 45-48-10

From

The President,
Town Municipal Council
MADHUGIRI



To, 2748

The Revenue Secretary,
Local self Government,
in Mysore BANGALOR.

Subject: According sanction of an expenditure of a sum of Rs 12496-11-0 for the works proposed to be undertaken by the Municipal Council for the year 1948-49

Sir,

I have the honour to state that the Municipal Council, in their Budget meeting held in April 1948, passed a resolution providing a sum of Rs 10,000/- for the original works, Rs 2000/- for repairs and Rs 5000/- for the compensation charges, in all a sum of Rs 17,000/- under the Public Works Head The Deputy Commissioner in his review of the Budget has reduced the total expenditure under the Public Works Head to Rs 3,000/- for all the items mentioned above The opening balance as on 1-7-48, was Rs 14,891/- instead of Rs 8209/- as specified in the review of the Budget It is this probably that prompted the reduction under the Public Works Head

The matter was again discussed by the Council in their Meeting held on 8-8-48, and the Council went in detail about the urgent works which had to be taken up for the year 1948-49 The members of the Council examined personally several parts of the Town and at a very long discussion resolved that the works mentioned in the accompanying list are very urgent and have to be taken up during the current year

It is needless for me to state the necessity of taking up the work mentioned in the list urgently The Council could not take up any work during the year 1947-48, an account of the poor finances of the Municipality The roads in the Town have

completely gone out of order by the heavy showers last year and continuance negligence, the roads have been scoured in many important parts of the Town The drains have taken irregular routes by continuance disrepairs Slum clearance is another important part of the work which is absolutely necessary to save the people from the deadly deseases Viz , yphoid and Malaria which has become common in these parts

The Municipality has got a balance of Rs 14,000/- at their credit The Council has taken up the Extension Scheme a part of it is ready for disposal The Council expects an income of Rs 20,000/- at least in the course of a month It is therefore resolved that the work mentioned in the list could be taken up immediately as they are very urgent in the interest of Sanitation of the Madhugiri Town

I have therefore the honour to request you Sir, to kindly obtain sanction of Government for the execution of the Sanctioned work of the Council as per accompanying list The Council will however push through the work having regard to the finances and resources of the Municipality The Council is evincing interest to improve the finances in all aspects to the same extent as they desire to expend for the benefit of the Town I earnestly hope that sanction of the Government will be obtained at the earliest convenience and communicated to this office so as to enable the Council to complete the works before the close of the rainy season

Soliciting an early compliance in the matter

I have the honour to be
Sir,
Your most obedient servant

President
Town Municipal Council,
Madhugiri
